

HOST A FUNDRAISING EVENT FOR US

Ronald McDonald House South Island supports families when their child is in a hospital away from home. Each year we offer more than 1200 families accommodation and support free of charge to help relieve some of the everyday stresses they face. Simply put, we give families with a hospitalised child what they need most – each other.

Ronald McDonald House South Island welcomes fundraising events from individuals, organisations, schools & groups who want to partner with us and help us do what we do best - keep families with a child in hospital together.

AFTER YOUR EVENT

Send us through any photos you have of the event, as we'd love to showcase it to our supporters throughout New Zealand. Make sure you thank the team that helped you, those who supported you with time or products, those who attended the event and those who gave!

We are only able to do what we do because of community champions like you. For a child going through treatment, sometimes the best kind of medicine is having family at their side for hugs, kisses and aroha. Thank you for helping us keep families close.
